**made new.**

**Many We sing God's goodness and grace, already but not yet in our beautiful and broken  
world, already and coming soon in the fullness of time.**

One    Come sing a new song of love and faith and hope for all God's promises.

**Praying Together**

**We confess that too often we take matters into our own hands and fail to trust God. Instead  
of joining creation in praise, we have too often done harm to the earth and its creatures.  
Instead of respecting others, we have too often failed to recognize all are made in the image  
of God. Forgive us, God, for our hard-heartedness and willfulness. Create in us a new resolve  
to follow you in doing what is right.**
