GATHERING IN FAITH AND WORSHIP

Prelude

Welcome

Call to Worship

It takes a variety of ingredients to make bread.

It takes a variety of people to be the church.

A measure of flour.

People from farmland and prairie.

A measure of water and salt and oil.

People from coastland and islands.

A measure of sugar.

People from the vast north.

We mix them all together with enough yeast to leaven the bread.

We come together to be uplifted and transformed!
