**Here we are.**

It is still Lent and we may wish to skip this part. We don't really want to remember the violence or hear the horrible cries, "Crucify! Crucify!"

We get enough of that from the news, and we really don't want to think that we might be among those voices, or consider our own complicity in such things.

But it is Lent.

**So, we are here.**

**And we tell the story again, trusting that God will meet us in it.**
